It has been my honour to be invited to celebrate the 28<sup>th</sup> Annual General Meeting of the Lion Group (Steel Division) Sports & Recreation Club.

Well done for all the events organized! I observed sports and team spirits in the Organizing Committees as well as participants and members of the Sports Club. This is the culture that we would like to embed in the Organization.

Keep It Up !

### Message from the Club President Benny Chen Kwong Fatt – Senior General Manager – Amsteel Klang Director of Customers Relationship Management (Steel Division) Dear Club Members

A Big Welcome to our 28<sup>th</sup> Annual General Meeting. It has been my honor and privilege to serve as the President of the Lion Group (Steel Division) Sports & Recreation Club since year 2008.

This year will mark the 5<sup>th</sup> issue of the Steel Division Sports & Recreation Club Year Book. I am happy to see that we are doing well in sports as well as recreation activities organised by our dedicated committee members who serve selflessly.

I have enjoyed working with our committee members for the past years and I am happy to see all the rejoice faces from photos of members who participated in all our events and AGM. I look forward for the continuous commitment from our committees and support from all our members.
